1. What is "Odds Group"?

"Odds Group" feature allows you to adjust spread for players.

- **Group A** (default group) - Players of group A will receive the standard spread offered in Sportsbook.
- **Group B** - Players of group B will receive a lower spread than players of group A.
- **Group C** - Players of group C will receive a lower spread than players of group B.
- **Group D** - Players of group D will receive a lower spread than players of group C.
- **Group E** - Players of group E will receive a lower spread than players of group D.
- **Group F** - Players of group F will receive a lower spread than players of group E.

2. How to change odds group?

You can change odds group for each player. Note that the changes of Odds Group will take effect at the next login of player.

This feature is located in the Player Administration page.

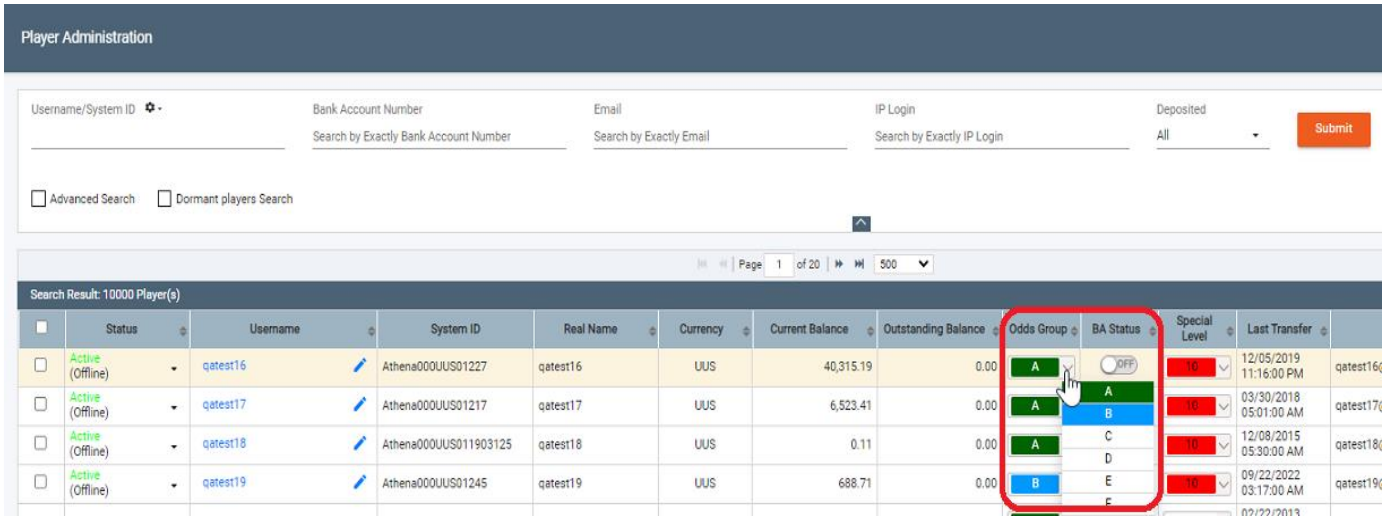

Figure 2.1. "Changing odds group" feature

- Moving a player to different groups offers that player the different odds.

Figure 2.2. Different odds among groups
